

HEALTHY CHOICES

For life. Every day.

YMCA® of Greater Kansas City

Value-Added Discount Services

Exercising with your family is one of the best ways to stay active and instill healthy habits in adults and kids.

On behalf of our members, Blue KC has established an agreement with the **YMCA of Greater Kansas City** to provide a membership at a discounted rate as part of the Blue365® value-added program.

Discounts are NOT insurance. It is important to note that these "value-added" discounts are not covered services under the health plan. Blue KC will not pay benefits for these services. Billing and payment for these services will occur directly between the provider and the member.
